

EVENT REPORT (CYBER CREW 2021)

28th August to 3rd September

Delhi Public School Greater Faridabad

The IT Club of Delhi Public School, Greater Faridabad “Cyber Crew” hosted its annual IT Festival-2021. This event comprises various technology-based competitions for students of classes I–XII.

This event aims to bring schools together and support the growth of Technology. It provided an excellent opportunity for students, enable them to think out of the box and showcase their talents. Our school students participated in various events with lots of enthusiasm. It was really a good exposure for our students. Following are the details of the events and the participants.

Our School bagged Special Awards in three events
